Brief Summary	<p>There are various Homeopathic medicines propounded to be useful in present COVID-19 pandemic. Even AYUSH ministry advised a Homeopathic Medicine ARS ALB as preventive. But according to the Homeopathic community, there are more medicines that can be effective both as preventive and curative. There are already small studies in Iran, France and England, where they have prescribed Homeopathic medicines and found a positive outcome. Here we have a chance to take a lead in showing the efficacy of Homeopathy. Welling Homeopathic Clinics has a presence in Mumbai and Surat with our 9 clinics, stand-alone pharmacy shop & more than 20 full-time Homeopathic consultants to help in a large-scale study if approved. We request early approval to start early to reduce the need for admissions to critical care and reduce the mortality rate.</p> <p>Dr.Sourabh R. Welling,M.D. (Homeopathy)</p>
